Subject: FW: NPL Draft Conformity Determination - Tim's Initial Comments and Request for Additional Information from the BLM
[NPL Draft Conformity Determination.docx](#)

Hi Folks,

Below are my initial comments on the BLM's Draft General Conformity Determination for the NPL project (attached). Please take a look and see what you think. I've also included a suggestion that we ask for additional information (at the bottom of comments) from the BLM in order to complete our review.

Ex. 5 - Deliberative Process

having their emissions removed from the general conformity analysis as they were permitted under WAQSR Chapter 6, Section 2 and those emissions were, therefore, excluded as per the

Ex. 5 - Deliberative Process

See what you think!

Please let me know if there are any questions.

Thanks!

Tim
